

(b) Except as provided in paragraph (c) of this section, a *pro forma* assignment or transfer of control of an authorization to provide international telecommunications service is not subject to the requirements of § 63.18 of this part. A *pro forma* assignee or a carrier that is the subject of a *pro forma* transfer of control is not required to seek prior Commission approval for the transaction. A *pro forma* assignee must notify the Commission no later than 30 days after the assignment is consummated. The notification may be in the form of a letter (in duplicate to the Secretary), and it must contain a certification that the assignment was *pro forma* as defined in paragraph (a) of this section and, together with all previous *pro forma* transactions, does not result in a change of the carrier's ultimate control. A single letter may be filed for an assignment of more than one authorization if each authorization is identified by the file number under which it was granted.
